Letter from the Principal

Welcome back to school!! We are looking forward to see the students once again!! This year we are excited about the many changes that have taken place within our building and curriculum. We are all ready to "SHINE" at Lynd Public School. The word "SHINE" will be our theme for the 2009-2010 school year. S for Seek, H for Honor, I for Imagine, N for Never give up, and E is for Every day. Except for Every day, which encompasses the whole school and our approach to teaching the children as well as building the community, the values are actions. Actions are constant, active, driven, and powerful. They are the heart of the school, and as long as they beat true and consistently, the school grows and the students SHINE. As a school community, the students will:

Seek: knowledge, teachers, experience, opportunity, unity, and success; new places, friends, and things;

Honor: themselves, work, classmates, teachers, parents, school, community, their culture, country, the world, and fellow human beings in everything they do;

Imagine: new ideas, through play, beauty everywhere, a better world, solutions to the most challenging problems, themselves in college, and the future of their dreams;

Never give up: on themselves, their work, teammates, the team, teachers, the school, their parents, the community, world and fellow human beings – especially when the going gets tough;

Every day – Learn, Love, Respect, Create, Support, Communicate, Listen, Speak, Play, Imagine, Grow, Rest, Think, Laugh, Smile, and SHINE.

SHINE On!!
