

1ST GRADE E-LEARNING

PLEASE SELECT 1 ACTIVITY PER E-LEARNING DAY AND RETURN A MUSIC ACTIVITY E-LEARNING DAY LOG AND ALL WORK TO YOUR CLASSROOM TEACHER WITH YOUR OTHER SNOW DAY WORK.

1. Teach a favorite song or music game to family members. Draw a picture of something which reflects that song.
2. Listen to a favorite piece of music and draw a picture of how it makes you feel while listening.
3. Create your own percussion instrument using household materials. Examples: "Ice cream pail" drum, "tin pie" plate and a spoon, "yogurt container" shaker. If you have the necessary tools, record yourself and share with me and the class.
4. Go to <https://musiclab.chromeexperiments.com/Experiments> and use this Chrome Music Lab as a tool in to explore music and its connections to science, math, art, and more.
5. Go to <https://www.classicsforkids.com/> and complete the monthly activity sheet.
6. Go to <http://www.sfskids.org>. Use this website to listen to music, play music games, compose/notate your own music and/or explore instruments.
7. If you have an instrument, spend quality time practicing. Log your time and what you practiced on the E-Learning day log.
